### Processing Medicare Part B Claims for Medicare Part D MN Dual Eligible Beneficiaries

Prime Therapeutics LLC (Prime) began processing Medicare Part B claims for Medicare Part D dual eligible beneficiaries on April 5, 2006.

To submit a Part B claim, follow these steps:

- Ask for beneficiary’s ID card
- Initially, submit claims through the Medicare Part D BIN/PCN that is identified on the beneficiary’s ID card
- Products covered under the Medicare Part B program will reject with NCPDP Reject code 70 **Prod/Service not covered**. You will receive additional messaging instructing you to reprocess the claim using a different BIN/PCN

- Submit the Medicare Part B claim using the same ID number on the beneficiaries card along with the BIN/PCN provided in the rejection message

Please keep in mind that the Medicare Part B unique processing requirements outlined above are for only the Medicare Part D MSHO and SNP beneficiaries.
