

# Prime Therapeutics Medication Therapy Management Program (MTMP)

## RETAIL MTMP

### Online Fee Processing Instructions

**Pharmacy Payment for MTMP.** The Pharmacy Payment to Pharmacy for MTMP services provided to MTM Covered Persons is outlined in the table below. Pharmacies must be contracted to provide MTM services to be eligible to receive payment for performing MTM interventions.

1.
  - Pharmacy is required to utilize the DUR/PPS segment of the NCPDP telecommunications standard version 5.1 to receive the Pharmacy Payment for MTMP services.
  - The Pharmacy Payment for MTMP will be associated with a Prescription Drug Service that meets certain Drug Utilization Review (DUR) events in Prime’s POS and whereby a specific Professional Pharmacy Service (“PPS”) value has been attached for the DUR.
  - Prime will not pay a Pharmacy a Pharmacy Payment for any MTMP service that has not previously been defined within Prime’s claims processing system.
  - A Pharmacy Payment for any certain MTM Covered Person is limited to one professional fee per MTM Covered Person per drug where drug for the purposes of this program is defined as matching the Medispan GPI 10.
