Prime Therapeutics' Presents on Specialty Pharmacy at BlueCross BlueShield Association's National Finance, Actuarial and Underwriting Conference

ST. PAUL, Minn. — Pharmacy benefit manager Prime Therapeutics (Prime) announced today its participation in the BlueCross BlueShield Association's 2009 National Finance, Actuarial and Underwriting (NFAU) Conference in Boston, Massachusetts on Friday, September 11.

Patrick Gleason, PharmD, FCCP, BCPS, Director of Clinical Outcomes Assessment at Prime, will be presenting at the conference on specialty drug trends, specialty conditions, the specialty drug pipeline and the projected growth of specialty drugs. Furthermore, Gleason will discuss how these specialty drugs are billed to insurers and the relationship between both medical and pharmacy specialty trends.

In addition to presenting, Prime will also be exhibiting at the conference and located at booth number 103.

Prime Therapeutics LLC is a pharmacy benefit management company dedicated to providing innovative, clinically based, cost-effective pharmacy solutions for clients and members. Providing pharmacy benefit services nationwide to approximately 14.7 million covered lives, its client base includes Blue Cross and Blue Shield Plans, employer and union groups, and third-party administrators. Headquartered in St. Paul, Minnesota, Prime Therapeutics is collectively owned by 11 Blue Cross and Blue Shield Plans, subsidiaries or affiliates of those Plans.
