

2020 Commitment to Equal Employment Opportunity

Commitment to EEO. Prime Therapeutics, LLC ("Prime") is committed to affirmative action and equal employment opportunity. It remains our policy to provide equal employment opportunity to all persons consistent with employment qualifications and applicable laws regarding discrimination because of race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, veteran or other protected status. Prime will recruit, hire, train, and promote persons in all job titles, and ensure that all other personnel actions are administered without regard to such protected categories.

Prime recognizes that the effective application of a policy of merit employment involves more than just a policy statement and will, therefore, implement its Affirmative Action Plan (AAP) in a positive and aggressive manner and will make known Prime's commitment to this effort and that equal opportunities are available within Prime on the basis of individual merit. Prime will solicit and encourage all persons to seek opportunities within Prime and to pursue advancement possibilities.

Audit and Reporting Systems. Prime has implemented an audit and reporting system to measure the effectiveness of Prime's AAP, to identify and address the need for remedial action if necessary, and to determine the degree to which Prime's overall objectives have been attained.

Support and Responsibility for Implementation. The AAP has full support of Ken Paulus, President and CEO of Prime Therapeutics, LLC as well as the entire Prime management team. Erin Feigal, Senior Vice President, Chief Human Resources Officer, is responsible for administering all aspects of the company's EEO policy and the AAP.
