

Medicare Processing Update

BlueCross BlueShield of Alabama

Effective January 1, 2021

BCBS of Alabama Medicare Plans

Effective January 1, 2021, BlueCross BlueShield of Alabama (BCBSAL) will no longer require Pharmacies to submit Part B covered products to a separate BIN and PCN. All claims for Covered Persons of BCBSAL Medicare Plans should be submitting claims with the following information below:

Plan Sponsor	Plan Name	BIN	PCN
BCBSAL	Blue Advantage Complete (PPO) Blue Advantage Premier (PPO)	014897	MBG
BCBSAL	Blue Advantage Employer Group Plan (PPO)	014897	RPDG
BCBSAL & UTIC Insurance Company	BlueRx Enhanced Plus (PDP) BlueRx Essential (PDP)	014897	RPD
BCBSAL & UTIC Insurance Company	BlueRx Employer Group Plan 801 (PDP)	014897	RPDG

If a claim is submitted to the incorrect BIN/PCN, Prime will reject the claim with the following message:

→ NCPDP Reject Code 85: Claim Not Processed; Please use the BIN/PCN on the Member's Id card

Top impacts to this change are Part B covered drugs, diabetic test strips and flu vaccines.

Pharmacies will need to resubmit the claim to the appropriate BIN/PCN on the Covered Person's ID card and make the necessary updates to the Covered Person's information within their pharmacy software system.

THE FOLLOWING PCN WILL NO LONGER BE ACTIVE as of January 1, 2021, for BlueCross BlueShield of Alabama (BCBSAL) Medicare Plans Part B business. This is a result of BCBSAL moving to a one claim submission for Part D and Part B covered drugs.

Plan Name	BIN	PCN
BCBS of Alabama Part B	004915	PARTB
