About this recall:

VistaPharm is voluntarily recalling one lot of sucralfate oral suspension, 1 g/10 mL, to the consumer level, due to *Bacillus cereus* contamination in the product.

The product is used as an antiulcer therapeutic and is packaged in a 16-ounce (414-mL) PET bottle with NDC 66689-305-16. The affected sucralfate oral suspension lot is number 810300 with an expiration date of Oct. 31, 2023. The product can be identified with its product name sucralfate oral suspension 1 g per 10 mL, with the product lot number 810300 and expiration date of Oct. 31, 2023, at the bottom right side of label. This sucralfate oral suspension lot was distributed nationwide to three distributors by wholesale.

What this means to you:

Consumers with questions regarding this recall can contact Inmar at **800.967.5952** or by email to **RxRecalls@Inmar.com**. Office hours are Monday–Friday, 9 a.m.–5 p.m. Eastern Standard Time (EST).
